

COMPANY PROFILE

ABOUT US

Townson Security Group LTD is committed to providing exceptional security services by combining manpower with the latest security technologies. Owner-managed and driven, the Townson was born out of a need for a security services provider that understands Kenya's unique and challenging security landscape and needs.

We strive to exceed the requests of our clients by going above and beyond what is asked to ensure that every security detail is to your requirements. We have an extensive footprint, a highly trained team, a seasoned management team and an in-depth experience in the local security industry

**A REPUTATION FOR
EXCELLENCE**

OUR SERVICES

SECURITY CONSULTANCY

ASSESSMENT – AUDIT – ADVISE – PLANNING

we evaluate potential risks and make recommendations to improve our clients' safety. We assess policy and procedure and create a holistic strategy that incorporates threat assessment, environmental design, and asset inventory to reduce the likelihood of security incidents.

COMMERCIAL SECURITY

GUARDS – DOGS – ALARM RESPONSE UNITS

Our armed or unarmed guards are fully capable of protecting your commercial business. In addition to protection, our guards are fully trained to welcome visitors, offer directions and assistance where needed, thus keeping things running smoothly.

RESIDENTIAL SECURITY

GUARDS – DOGS – ALARM RESPONSE UNITS

Whether your family are at home, or away on holiday, our highly trained and experienced residential security experts will monitor the security of your property, deter criminals, and protect you from burglars, break-ins, and invasions into your privacy.

OUR SERVICES

SPECIALISED PROTECTION

VIP PROTECTION - ARMED / UNARMED ESCORTS

Our armed and unarmed bodyguards are highly trained to recognize threats and keep high profile people safe at all times, no matter what their industry. We boast specially trained personnel for the protection of VIPs, executives, dignitaries and celebrities.

CASH IN TRANSIT

CIT (CASH) - CVIT (VALUABLES)

Our end-to-end approach to cash and valuable handling, allows us to manage your cash and valuables throughout the entire cash cycle - from your deposit in the cash vault to the bank, including the Cash-in-Transit (CIT) logistics, providing you with an immediate risk transfer.

SECURITY SYSTEMS

ACCESS CONTROL - ELECTRIC FENCE - CCTV - SCANNERS, ETC

We are a provider of high-quality Home and Business Security Systems designed to complement manned security. Our CCTV Surveillance, Access Control, Security Alarms, Intercoms, Electric Fences, to Automatic Gates are carried out by our fully qualified engineers and approved partners.
